HBO SOUNDTRACK

Here's an article from *SMOKE SIGNALS*, the newspaper of the Howell L. Watkins Junior High School in Palm Beach Gardens, Florida. For those of us at Home Box Office, it's a fascinating perspective on our service.

Home Box Office Makes Good Investment

by Lisa Zellner

Everyone likes to see a good movie. The problem is seeing a movie costs from \$1.50 to \$3.00. Here is the perfect solution. H.B.O.—Home Box Office. It is put out by Time-Life, and you can get it by calling your local cable company.

H.B.O. has G, PG and R rated movies on it. It's like going to the movies because there are no interruptions while you are watching. Here are some things our students had to say about H.B.O.:

Rosemary McCoy—"It's better than going to the movies because it's less expensive."

Rhonda Powner—"It's better than the movies because you are in the comfort of your own home."

Sydney Shepherd—"It's good to have, because if you don't get to see a movie you can see it on HBO. Also you get to see a lot more movies because it doesn't cost so much."

Cathy Manz—"H.B.O. has good movies on it and it's just like going to the movies. I also like it because it's a lot cheaper than movies."

Toria Truman—"H.B.O. has movies on it that aren't on regular television, also like it because you can watch by yourself."

You don't have to have a friend go with you, like when you go to the movies."

Heather Schwartz—"I like the H.B.O. because you get to see the movies with no commercials and it's free except for the monthly charge."

If you like good movies and don't want to spend all that money, you should get H.B.O. There is something for every member of the family.

HELEN REDDY has earned 30 gold and 7 platinum albums world-wide. See this million dollar star on January 4, 7 and 17. Also, don't miss the Super Bowl wrap-up on *INSIDE THE NFL*, January 19, 20 and 21.
